2. It having been separately ~~agreed to~~ decided that no reduction of staff is possible, the question now to be considered is about the rate of house rent allowance.

3. The rates proposed by the Inspector-General of Police are much higher than those recovered from the Police staff employed on the Mysore-Harihar main line for the accommodation provided for them thereon. The rates are 10% of pay for all Police Officers above the rank of Head Constables and one anna in the rupee for Head Constables and under. It therefore seems nothing but fair to allow the Police staff employed on the Mysore-Railways the same rates of house rent in lieu of the accommodation yet to be provided.

That the Police should be supplied with free quarters was much emphasised by the Police Commission and efforts given to this everywhere in British India. Pending the construction of the dwellings, the Railway authorities are bound to see that the Police get suitable dwellings near the station premises. The rates prescribed by them were fixed years ago, and it is extremely doubtful if the same can be reasonable having regard to the modern conditions. But there is no objection to accept them for the present. But the question must however be kept open that the rates should be revised if the men find it difficult to pass houses at those rates

DD 59-17 5

To

C. S. Balasundaram Iyer Esquire, B.A.,
Chief Secretary to the Government of His Highness the Maharaja of Mysore, BANGALORE.

Sir,

7/7 With reference to Government Proceedings No.J.2307-9/Police 59-17-2 dated 2nd January 1918 sanctioning one Duffedar and 6 constables for the Tarikere-Narasimharajapura tramway, I have the honor to state that the Superintendent of Police, Kadur District states that as there are no lines for the men in the station premises, they are obliged to live in rented houses in the villages near by. As it is necessary that the men should live on the premises a reference has been made to the Agent, Mysore State Railways, to take early steps for the construction of the lines for them. Pending the construction of the lines, I request that Government may be pleased to sanction a house rent of Rs.1-8-0 for the Duffedar and one rupee to each of the constables, three tenths of the expenditure of Rs.7-8-0(after deducting 7/10th which will be met from the Railway budget) being met from the provision of one lakh of rupees provided for the re-organization of the Police. Necessary provision may also be kindly caused to be made in the next year's budget.

I have the honor to be,
Sir,
Your most obedient servant,

Inspector General of Police.
